

In addition to these notes, reference shall be made to the specification of works and the relevant Architect's and Specialist's drawings and specifications.

The Contractor is responsible for verifying all site dimensions before commencing work.

All dimensions are in millimetres unless noted otherwise.

This drawing has been produced electronically and may have been photo reduced or enlarged when printed or copied. Dimensions on this drawing shall not be scaled. Work shall be to the dimensions given, not to the printed dimensions.

Any dimensional discrepancies between this drawing and the original drawings shall be reported to the Engineer immediately.

Levels are in metres unless noted otherwise to Ordnance Survey datum.

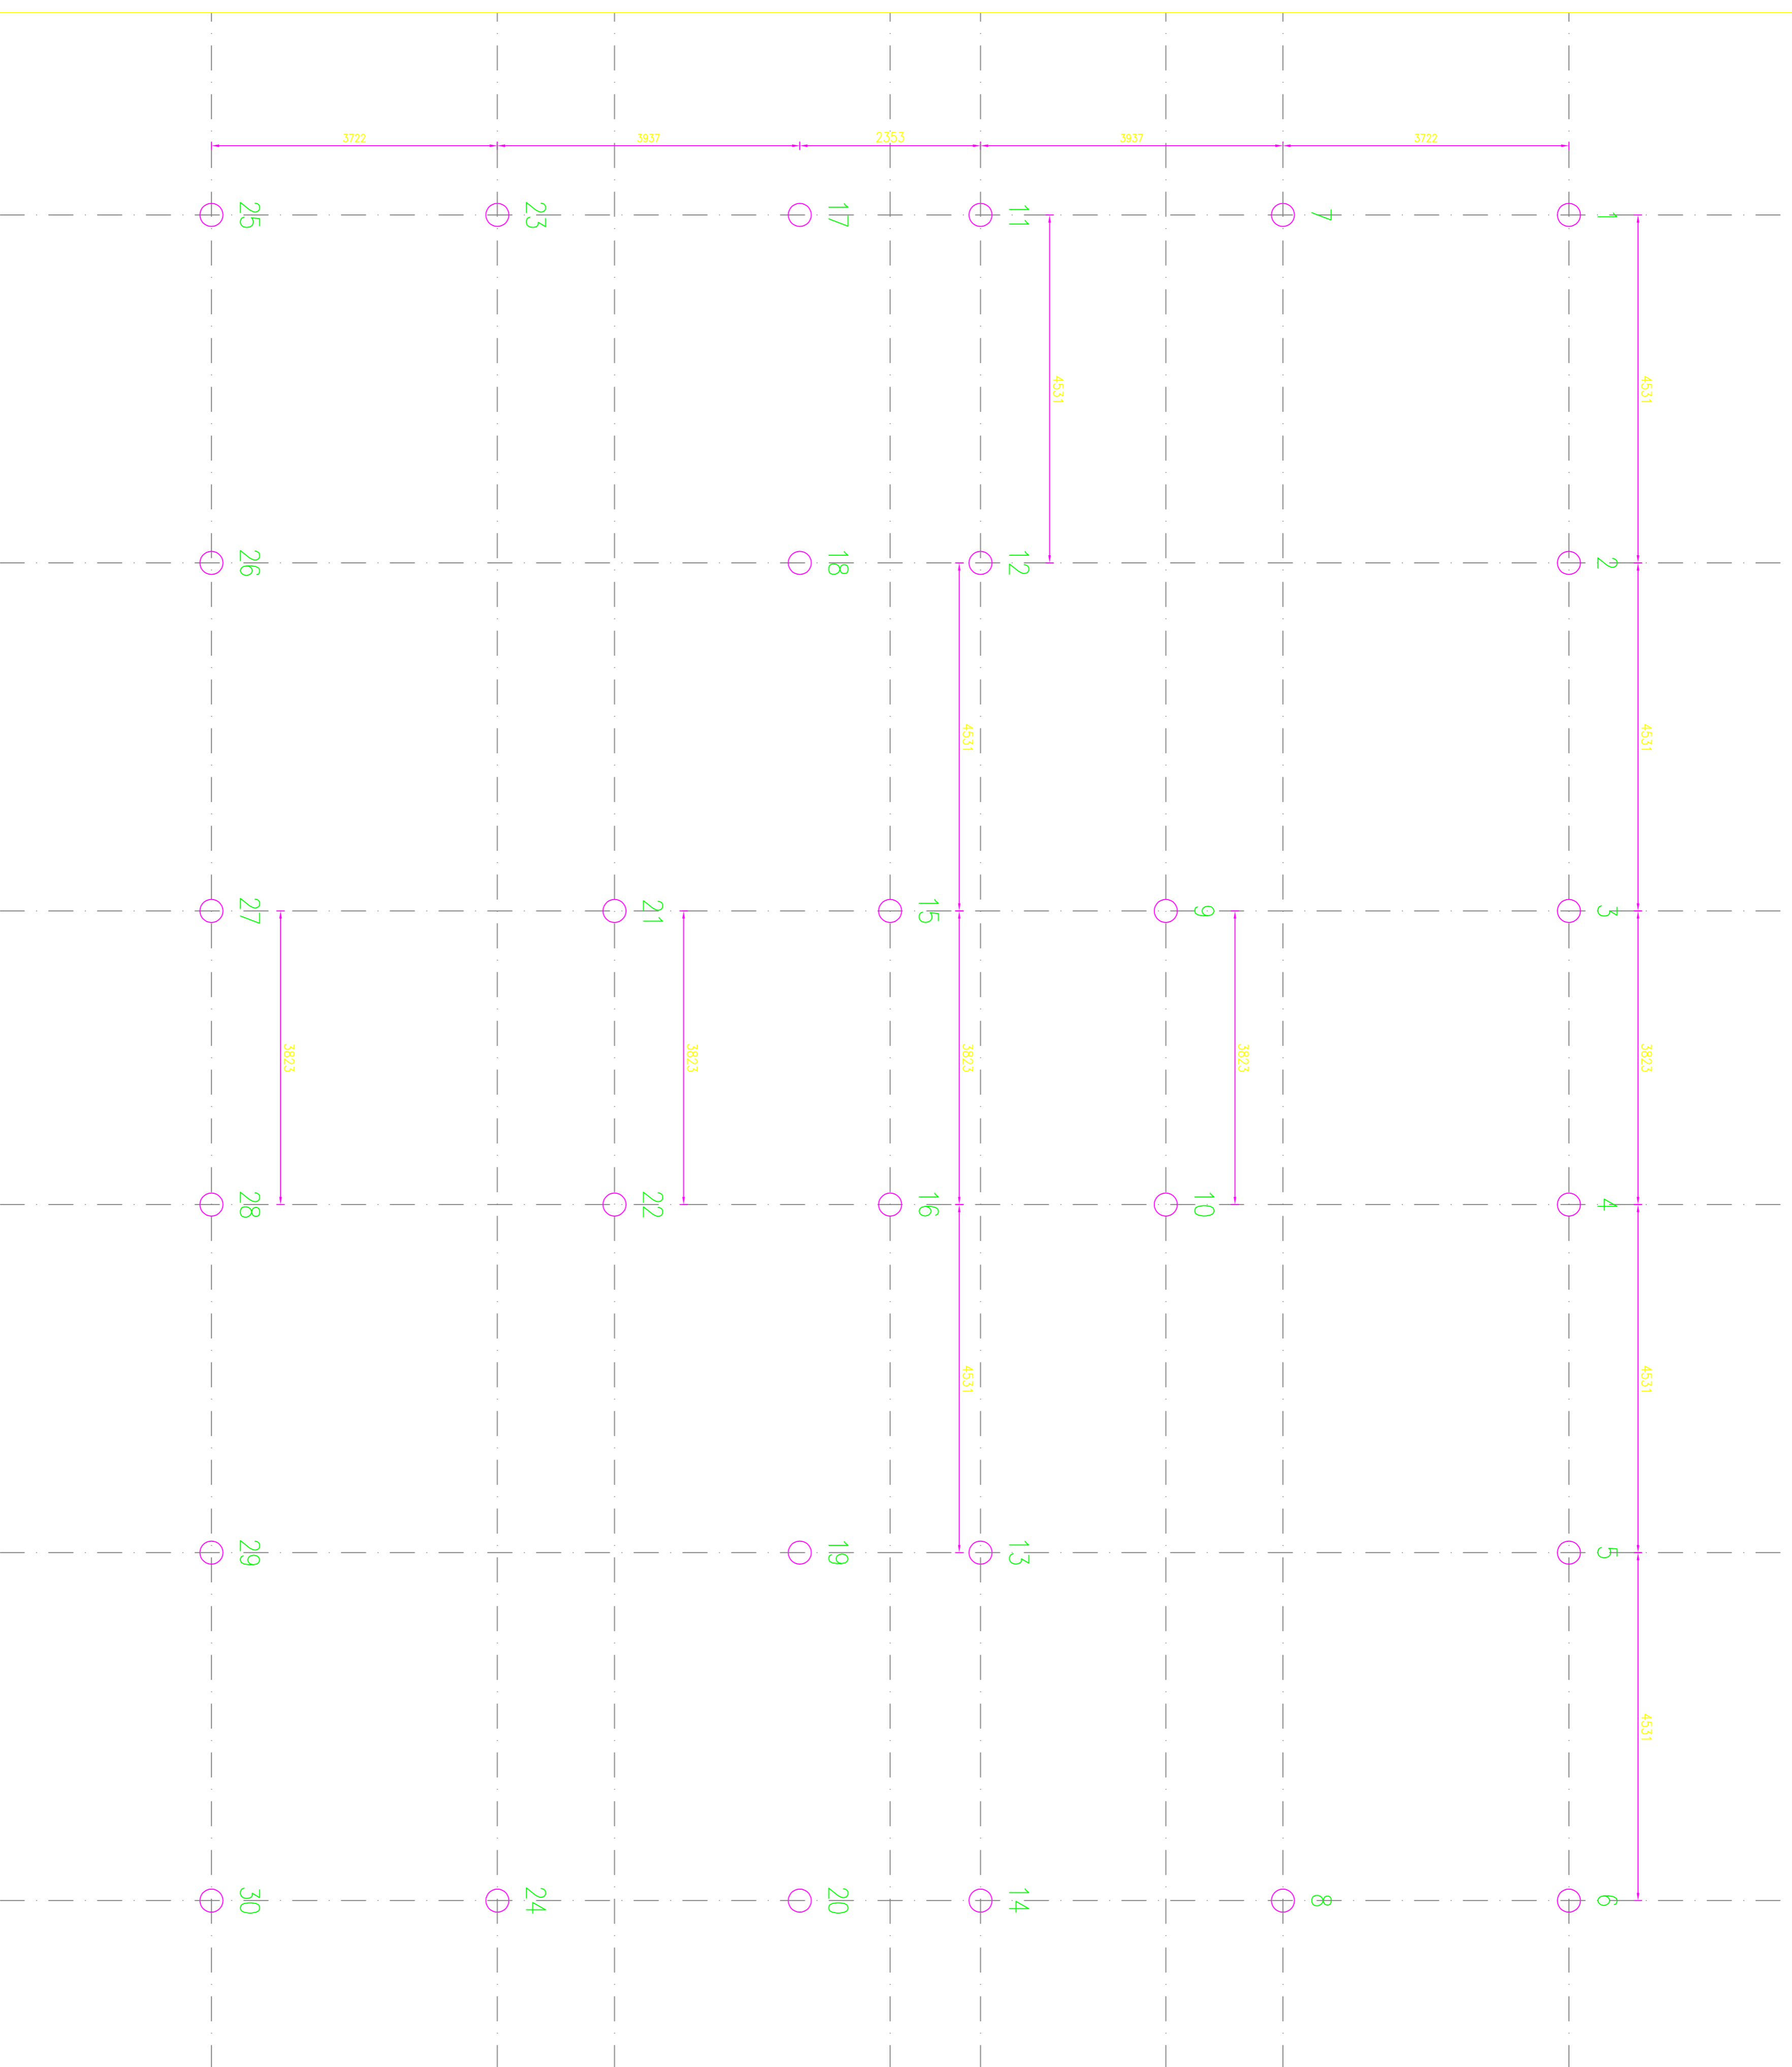

The Contractor is responsible for the stability of the building while the works are in progress and shall provide temporary propping for steel where necessary.

NOTES
